

Associate Clinician at Nes Pinar Psychotherapy

Are you an associate MFT looking for a private practice associateship opportunity in the East Bay?

Please read below for more information on the position and send an email to nespinar@gmail.com with your resume and cover letter explaining how private practice associateship at Nes Pinar Psychotherapy is aligned with your career goals.

We are hiring one to two associate MFT's who are interested in building up to see 20 clients per week both in-person and through telehealth. We offer individual and triadic supervision provided by a Licensed Marriage and Family Therapist.

MUST HAVES:

- Master's Degree in Marriage and Family Therapy
- Active AMFT license in CA
- Availability to attend ONLINE group supervision on Wednesdays 11 am to 1 pm (individual supervision is also provided)
- Minimum of one year experience doing play therapy with children age 5 to 12
- Some experience working with teen and adult clients
- Able to see clients in person in Lafayette as well as over Telehealth
- Must be willing to come into the office at least two day per week to see clients
- Must be available at least 2 evenings per week until 7 or 8 pm (OR one evening and a weekend day)
- Ability to commit up to 20 hours a week
- Interest in learning ways to generate own referrals
- Must be able to provide proof of vaccination if hired
- Must be able to provide proof of eligibility to work in US is required
- Proficient and comfortable in using online database for writing progress notes, google office suite, and slack
- Experience and comfortability with Telehealth services
- Personable, energetic and compassionate personality
- Passion for mental health and working with children and families
- Community oriented personality to connect with other therapists, desire to build a network
- Strong ability to personally relate one-on-one with each client and build solid relationships
- Are passionate about learning more about play therapy and other tools for working with parents, children, and families.
- Strong interest in working with supervisors and colleagues to vulnerably self-reflect and grow as a person and therapist
- Love to play and explore how to use creativity as part of therapy
- Ability to manage client-induced anxiety and set boundaries with intrusive clients in a loving and healthy manner

NICE TO HAVE:

- Ability to see clients in Rockridge
- Experience or interest in Neurofeedback
- Experience in marketing/networking

- Experience with online platforms TherapyNotes and Google Docs
- Fluency in any language in addition to English
- Experience working with children with learning differences such as sensory processing disorder, ADHD, and high functioning Autism
- Experience or interest in running group therapy

Perks Included:

- Keep all clients on caseload once licensed, to start your own private practice business already established!
- Ability to stay after licensing and be part of a group practice
- Flexible schedule, choose your own hours, based on office space availability
- Get immersed into ins and outs of running your own business to increase your confidence in having your own private practice once licensed
- Receive direct referrals from your supervisor to start building up your caseload
- Spacious fully stocked play therapy office in downtown Lafayette, close to shops, restaurants and BART station
- Ability to see additional clients in Rockridge office
- Be part of a supportive and caring team that collaborates and shares resources
- Be at the heart of EBTC – East Bay Therapist Community, which is an informal socializing/networking hub for like minded therapists
- Creative approaches grounded in solid fundamental evidence based theories are supported
- Access to HIPAA-compliant TherapyNotes EHR platform
- Flexible Telehealth hours - you work with your clients to create your schedule
- Optional training in Neurofeedback
- Access to other associate and licensed clinicians for self-organized peer support and professional collaboration
- Mentoring and support on setting and meeting your professional goals with your supervisor
- Opportunity to market your unique offerings and be creative
- Freedom to set and raise your full fee as well as offering sliding scale options based on client's ability to pay
- Ability to create and run your own group therapy offering
- Sick Time accrual

Salary:

- 40% of all client fees
- \$16 per hour for supervision hours and for any mandatory meeting hours

Work Locations:

- Lafayette downtown (required)
- Rockridge (optional)
- Remote (required)

We are an equal opportunity employer. We welcome all qualified applicants regardless of race, religion, sex, age, national origin, sexual orientation, disability, veteran status, or genetic information.
